Brooke Colvin	Brooke.Colvin@azed.gov			
Tambra Parker	TParker@cc-az.org			
Moe Gallegos	moises.gallegos@azheadstart.org			
Patsy.Rethore-Larson	Patsy.Rethore-Larson@azed.gov			
Cinthia Moreno	Cinthiam@wacog.com			
VISITORS:				
NEXT MONTHLY COMMITTE	E MEETING:			
Date: will be sent via email wit	h agenda			
Location: TBD				
AGENDA ITEM	DISCUSSION/RECOMMENDATION	PERSON(S) RESPONSIBLE/ PRESENTER		
I. Call to Order & Welcome	Welcome and Introductions	Co-chair- Cinthia Moreno		
II. Adoption of Agenda	Adoption of the Agenda: Chair updated and sent out to the group via email in advance for feedback.	Co-chair- Cinthia Moreno		

III. Approval of Minutes	Motion is needed to approve minutes: Dulce Quevedo made the first motion and Sonya Montoya made the second motion.	Co-chair- Cinthia Moreno
V. Guest(s)	Lori Masseur and Brooke Colvin from the ADE Office presented the dashboard and what elements of the dashboard they inform and what deliverables will be attributed to progress. Lori shared the dashboard view showing enrollment reports from 2019 as a base to compare this year. Lori explained how the dashboard is a data tool from PIR Data. This will provide a comprehensive view related to the 5-year plan. PIR for this school year has not been provided yet but it will be uploaded. Lori also stated she will share with Jessica to share with the sub-committee members for feedback.	Lori Masseur and Brooke Colvin
VI. PFCE Goal	 Update on goal: Increase the number of families experiencing homelessness and foster children. EACH committee member to Identify a homeless liaison and DCS case worker and present at meeting. Sonya Montoya reported NACOG is still working on gathering contacts as there is multiple throughout the 30 agencies. She will provide update on next meeting. Katrina shared that her agency is also still working on gathering the list of liaisons and will have a comprehensive list by next meeting. Moe offered support members in reaching out and making the connections if they are having barriers. Patsy offered to connect with the State Homeless Coordinator and offered her email address patsy.rethore-larson@azed.gov Alicia has a Mesa School district contact and working on getting one from every school district. Dulce at Child parent centers working with the liaison from CPC 	

feedback on how it can be better. Co-chair went over Committee reviewed the AZHSA website, Per Moe; the Covid-19 Banner was removed recently. There was prior feedback to remove the ECLKC Head Start locator. Also, that the website is not parent friendly. Dulce suggested having a group of parents to provide feedback on the website. Per Moe, there has been a survey and review by Head Start employees who are former HS parents but it might not have been accurate as we also have more knowledge and see it more from a HS employee perspective. Per Moe, almost all the time, it is Maricopa County prospective parents contacting him about HS locations and how to apply. Co-chair pointed out that the Facebook logo is not working. Moe will work with IT to fix that issue.			1
the staff who was working with the homeless and DCS liaisons is no longer with the agency and she is working on finding that contact information so that she can make those connections. Co-chair shared how PIR information will be collected this year. Patsy explained that the challenges is tracking down liaisons and collaborating. VII. Recruitment Committee <i>Go over the AZHSA website and ask committee members on feedback on how it can be beter</i> . <i>Co-chair went over</i> Committee reviewed the AZHSA website, Per Moe; the Covid-19 Banner was removed recently. There was prior feedback to remove the ECLKC Head Start locator. Also, that the website is not parents to provide feedback on the website. Per Moe, there has been a survey and review by Head Start employees who are former HS parents but it might not have been accurate as we also have more knowledge and see it more from a HS employee perspective. Per Moe, almost all the time, it is Maricopa County prospective parents contacting him about HS locations and how to apply. Co-chair well work with TI to fix that issue. VIII.
