

What is Cox Campus?

Read On Arizona is excited to share they have partnered with Cox Campus to extend this special opportunity to organizations, and adults who work with children from birth through third grade. Cox campus is a **free** literacy-focused platform, structured around video-based learning modules, hundreds of resources and so much more. All courses are anchored in the science of reading and provide evidence-based practices that are designed for educators, parents, caregivers and even healthcare professionals. Cox Campus was founded and dedicated to literacy and justice for all, regardless of zip code, race, or ethnicity.

How can Cox Campus benefit you?

All courses are FREE! Cox Campus understands the needs of practitioners. Upon completion of a course, you can receive a CEU. All Cox Campus courses are accredited by IACET, the International Accreditors for Continuing Education and Training.

The courses are interactive and engaging with comprehensive tools that are effective with applicable practices that can be implemented right away. Cox Campus speaks to the needs of Arizona's practitioners.

Coming soon, some of the Cox Campus courses will be offered in Spanish!!

If you have any questions, **please contact, ECE Consultant and Early Literacy Liaison, Nicole Peterson from Read On Arizona, npeterson@readonarizona.org**
