

# Attendance Works Arizona E-Learning Series

**Learn proven, team-based strategies to promote attendance and student engagement in this highly-rated, three-part training series.**

This opportunity is provided at no cost for administrators and educators at select schools/districts as part of Read On Arizona's strategic efforts to reduce rates of chronic absence in our state.

The Attendance Works Arizona E-Learning Series consists of three live, virtual 90-minute sessions:

## **Session 1 Whole School Engagement Strategies for Reducing Student Absenteeism**

Participants will learn how to work as a team to take a multi-tiered approach to improve attendance in their schools by drawing on whole school strategies to create positive conditions for learning and strong relationships with students and families that prevent absenteeism. Participants will be introduced to the framework of multi-tiered attendance strategies that moves schools towards prevention and early intervention and learn effective strategies to communicate with families about attendance.

## **Session 2 Early Intervention Strategies: Using Teams to Monitor and Identify Students in Need of Support**

Participants will learn which attendance measures to monitor in order to identify students in need of engagement and support. Participants will also learn about the key functions of a school team that addresses attendance and take stock of where they are in having a high-functioning team and gain understanding about the assets, barriers and strategies that affect attendance.

## **Session 3 Partnering to Make a Difference**

Participants will learn strategies for mobilizing school staff and community agencies to partner with families to improve attendance and engagement and tools to determine if identified strategies and activities are making a difference.

Recordings of the live sessions will be available upon request for team members who miss a session, but active participation in each of the sessions is highly encouraged to maximize learning.

## Upcoming Cohorts | Spring 2024
