Still Need

1. TSG data from each HS program
2. School Readiness Social Emotional Data from each HS program

What is the best way to collect this information from individual programs?
What is our deadline?

+ Maria:
Do we want data from each checkpoint or yearly? Summary Aggregation from CPLC has averages for each site.

What would be the best each checkpoint or yearly aggregation? We can see trends within the program year from the checkpoint data.

Which program years? 2021-2022 and 2022-2023?
EHS/HS
Ana will create a survey to determine what programs separate out children with IFSP and which don’t.
- Send out and give two weeks to complete → send results to the committee for review and have a discussion at the August meeting.

IEP, IFSP, Spanish vs. Dual Language.
EHS Center based vs. home base

Will decide what to collect as we go along, start small and then expand as needed with data collection.

Ana will update the IFSP/IEP/Social Emotional Recruitment Flyers to match changes made to the AZHSA Statewide Recruitment Flyer as they were update recently. Ana will email out to the committee for distribution. To be completed by the end of July 31.

| 4) Head Start Community Updates | Ana | ● Radio Station La Onda – discuss how HS supports children that have experienced trauma and how families are supported/resources.  
  ○ Needed: Phoenix Valley, Spanish speaker, July 6, or July 11 at 6 pm who can speak about this topic.  
  Let Jessica Rivera-Garcia know if you are available. |
|---|---|---|
| 5) Community Updates | All | ● Tami: ADE Conference is August 21-23. There is an Early Childhood Special Education Track – session throughout the day. Register asap.  
  ● ADE Team has strategic planning coming up  
  Will cohort groups continue this coming year?  
  ○ ESH/Preschool/AzEIP Contractors all in one cohort  
  ○ State Leadership Pyramid Model for Arizona – members are all a part of the sped/administration  
  ● Lead Specialist – Tami Philips will move into position, hiring to fill her vacant position  
  ● Suize wanted us to know they will help us collect data for part of our strategic plan long-range goals.  
  Maria Pimentel: IDEA change – email from Raising Special Kids  
  Tami: Not sure what it is.  
  ● Update from Erica Melies: Part C Coordinator – Ena Binns has been in the position for a month now. |
| 6) Committee Discussions | | ● Maria P: met with Region 9 Coordinator because CPLC has not met their 10 percent. What is everyone doing to meet their 10 percent?  
  Committee discussed program-specific barriers and trends.  
  Erica Melies: If problems with not receiving documentation after reaching out to the Service Providing Agency email [AzEIPQualityImprovement@azdes.gov](mailto:AzEIPQualityImprovement@azdes.gov) |
Reach out to supervisors as needed.

AzEIP Contractors:

**DDD Unit Supervisors**  
Veronica Clark, vclark@azdes.gov  
Sylvia Acosta, sylviaacosta@azdes.gov

AzEIP is working on AzEIP/Head Start referral form to be rolled out.  
Stressing collaboration with DDD SC and asking for data points on referrals.

Ana shared IFSP state-wide recruitment flyer with Erica Melies. She will look at it, it might work for the “At-a-Glance” flyer AzEIP has been asking for. Ana shared the link with Erica.

AzEIP needs to know about specific examples/contractor agencies not complying with in-person evals and visits so the AzEIP Office can follow up directly. Reach out to the agency first and then the AzEIP office as needed. Do not be afraid of overwhelming the AzEIP office with this issue. They are looking at data, looking at trends, and addressing at an agency level.

| 7) Adjourn | Ana | End meet at 2:15 pm |
